

CITY OF YOUNGSVILLE CORPORATE LIMITS

DEBRIS PICKUP GUIDELINES

The City of Youngsville will begin storm debris collection in the hardest hit areas of the City tomorrow, Friday, August 19, 2016. Residents are asked to separate discarded items into the following categories and place each pile at the curb away from mailboxes, fire hydrants, water meters, electrical lines and other impediments. Placing debris near or on trees, poles, fences, and other structures makes it difficult to remove. *The debris contractor can only pick up debris that they can reach without going onto private property. If you don't have a sidewalk, ditch, or utility line in front of your house, place debris at the edge of your property before the curb/ditch.

***Note: A hold harmless agreement must be signed if there is a need to access debris by getting on private property.**

CATEGORIES OF DEBRIS THAT WILL BE PICKED UP

BY DEBRIS CONTRACTOR:

- Vegetative Debris - leaves, logs, plants, tree branches.
- Construction & Demolition Debris - building materials, carpet, drywall, lumber, and plumbing.
- Mixed debris - furniture, clothes, mattresses, computers, radios, stereos, televisions, and other devices with a cord.
- Appliances & White Goods - air conditioners, dishwashers, freezers, refrigerators, stoves, washers, dryers and water heaters. (***White goods will be picked up last. All appliances must be completely empty of all contents**)
-

CATEGORIES OF DEBRIS THAT WILL NOT BE PICKED UP

BY DEBRIS CONTRACTOR:

- Normal Household Trash - Normal household trash will not be picked up with debris as part of this program. You should continue to follow your normal garbage schedule.
- Household Hazardous Waste - cleaning supplies, batteries, propane tanks, tires, lawn chemical, oils, oil-based paints, stains and pesticides.
